GENERAL

Gregs is situated on Garrison Lane, just below the historic Garrison Walls. It enjoys a sunny South-Easterly aspect with impressive views across St Marys Harbour, Hugh Town and around to Peninnis Head.

Perfectly located for use as a main residence, or for holiday home / self-catering purposes, it is within a short walk of all the amenities of Hugh Town, yet away from any noise associated with a town centre location.

Originally the owners' accommodation for Moonrakers Guest House (which have subsequently been converted to self-catering flats), Gregs is now offered for sale for the first time since it was built. The property has been maintained to a fair standard, with the benefit of a recently installed oil-fired central heating boiler, cylinder and controls. The accommodation would benefit from a light scheme of refurbishment.

In summary, an excellent opportunity to acquire an attractive, low-maintenance property with flexible accommodation. Viewing highly recommended.
