OVERVIEW

Pendeen Villa is situated close to the heart of Hugh Town, within a short level walk of the shops, restaurants, public houses, Post Office, harbour and many other amenities the town offers.

The area surrounding the ever-popular Porthcressa Beach, just a few metres from the property, was subject to a £4million pound regeneration project in recent years, with improved public walkways, landscaped gardens and new amenity buildings.

Probably built in the 1930s, Pendeen Villa has a sunny southerly aspect, and is literally yards from the beach. It has a pleasant garden with mature hedged boundaries, which if lowered would afford wonderful sea views across Porthcressa Bay.

Pendeen Villa represents a rare opportunity for the discerning purchaser looking for a well-located property with sea views, high ceilings and good natural light. The property would now benefit from a modest scheme of refurbishment, or alternatively would lend itself to a more comprehensive scheme of works as carried out on the nearby properties "Seaglass" and "Southerly". It certainly has potential for conversion of the roofspace into additional accommodation, subject to the necessary consents.

Viewing essential to appreciate the potential this property offers.
